Travelling by car

The car journey from Perth city centre to the new Carers Centre will typically take 10 minutes to drive. The route is pretty direct via the Dunkeld Road.

The new Carers Centre is based in the residential area of North Muirton so please refrain from parking in 'resident only' parking areas.

We recommend parking in the Co-op Parking or the free parking spaces across from Argyll Road bus stop. See pictures on the next page:

If you have a **Sat Nav** put in the address for the **Co-op - Argyll Rd, Perth PH1 3BZ**.
